Statements of financial position

As at 31 December 2025, the Company reported Total current assets of Baht 18,782 million, an increase from Baht 16,645 million as at 31 December 2024. The variance was mostly due to Baht 1,835 million increase in Cash and cash equivalents and Other current financial assets, and Baht 396 million increase in Trade and Other receivables. The collection period was 60.5 days as at 31 December 2025, compared with 59.7 days as at 31 December 2024, mostly due to revenues and the collection periods associated with certain Middle East accounts. The collection period remains under the Company's overall credit term policy of 30-90 days.

Total non-current assets increased to Baht 17,677 million as at 31 December 2025 from Baht 16,008 million as at 31 December 2024. This was primarily due to Baht 946 million increase in Property, plant and equipment and Baht 667 million increase in Other non-current financial assets.

Total current liabilities of Baht 4,086 million as at 31 December 2025 increased from Baht 3,827 million as at 31 December 2024. The increase was primarily attributable to higher Corporate income tax payable of Baht 275 million and Accrued expenses of Baht 75 million.

Non-current liabilities increased to Baht 1,202 million as at 31 December 2025 from Baht 1,025 million as at 31 December 2024, mostly due to Baht 190 million increase in Provision for long-term employee benefits.

Total shareholders' equity was Baht 31,171 million as at 31 December 2025, compared to Baht 27,801 million as at 31 December 2024. This variance was mostly from the Company's 2025 Net profit of Baht 7,512 million, offset by a dividend distribution of Baht 3,979 million. Average return on assets (ROA) was 21.7% in 2025, compared to 25.1% in 2024. Average return on equity (ROE) was 25.5% in 2025, compared to 30.0% in 2024.
