Operated by

WellEra Project Timeline

Construction remains on track, with strong mitigation measures in place to manage key risks

STRATEGIC Rationale & Synergies

From Wellness Living to Lifetime Care

Integrated Healthcare & Lifestyle Ecosystem

Diagnostics & Pharma

Better outcome through
diagnostics & pharma

Wellness Lifestyle & Prevention

The Gateway to the Ecosystem

Curative Care

60 BDMS Hospitals

Rehabilitative & Transitional Care

Post-acute rehab & home services
support for continuity of care

WellEra: Key Synergies to BDMS

1 | Expanding Customer Base via **Network Cross-Referrals**, Supporting **Center of Excellence**

WellEra: Key Synergies to BDMS

2 | Higher-Value Cases

Referral to Higher-Value Treatments

Specialty Care

Tertiary Care

Preventive Wellness

Advanced Therapies

Premium Experience

Higher Lifetime Value per Customer: Driven by Long-term Engagement

First Visit
Consultation/
Screening

Continuous Care
Follow-ups/
Preventive plans

Ongoing Engagement
Chronic care/
Wellness programs

Lifetime Value
Better outcomes, higher
loyalty, higher revenue

WellEra: Key Synergies to BDMS

3 | Brand Strengthening

KEY STRENGTHS

-  **Leader Across Continuum of Care**
-  **Seamless Health & Lifestyle Connectivity**
-  **Clear Differentiation vs. pure-play hospitals**
-  **Broader Brand Portfolio**
-  **Stronger Brand & Long-term Value**

FINANCIALS
